v.

Keri MacIntosh

Respondent

LIBRARY HEADING

Judge: The Honourable Justice Theresa Forgeron

Heard: June 4, 7 and 9, 2010, in Sydney, Nova Scotia

Oral Decision: June 9, 2010

Written Decision: June 10, 2010

Subject: Family Law

Issue: Interim Parenting

Result: In the absence of CAS's formal involvement, the court placed the children with the father, despite his parenting deficits, because the mother's parenting deficits were worse than the father's deficits. The mother abused substances, and was not eating due to an eating disorder. The mother stopped accessing therapy and services in the fall of 2009. The father was voluntarily working with CAS; the mother was not. The decision and order were forwarded to CAS for investigation.
