Applicant

v.

Monika Regina Drozdowska

Respondent

**Judge:**

The Honourable Justice Deborah Gass

**Heard:**

Motion by Correspondence June 22, 2011

**By the Court:**

[1] The motion for an execution order was referred to me as the trial judge pursuant to Rule 79. The matter has been reviewed. The order, dated Friday, May 6, 2011 which provided for an equalization payment of approximately \$125,000.00, was satisfied by payment in full on Monday, May 30, 2011 to the Applicant's solicitor.

[2] There has been a change in the status of the parties in that the judgment has been fully satisfied and the Respondent is no longer a judgment debtor and the Applicant is no longer a judgment creditor. The compliance was reasonably timely under the circumstances, and therefore should attract no post judgment interest.

[3] I am therefore declining to grant an execution order.
